**2016 Napa Valley Cabernets:
A particularly newsworthy vintage is on the horizon**

**DATE NIGHT Cabernet Sauvignon Napa Valley
2016**

Not all panelists were familiar with Phifer Pavitt prior to this tasting, and there was resounding appreciation of the wine, as well as a lot of “How could I not know about this?” statements. The 2016 is aromatically enticing with wild violet, blackberry, and blackcurrant fruit wrapped around a core of firm tannins with juicy acidity.
